

**Foundation Stage  
April and May  
2018**

**Expressive Arts and Design**

During this topic the children will be producing treasure maps and role playing under the sea experiences. The children will be learning to use different media and materials to create their own beach and under the sea collages.

**Understanding the World**

Throughout this term we will be observing our local environment, including the Cornish coasts. We will be learning the importance of sun safety and how we keep ourselves safe when we go to the beach.

**Mathematics**

During the summer term, we will be learning to solve number problems using learnt methods. We will also be learning to estimate, weigh, measure and compare objects and materials.

**Foundation Stage  
June and July 2018**

**Sun, Sea and Safety**

INDIAN QUEENS PRIMARY SCHOOL

**You can help your child with their learning in the following ways:**

- Read everyday and encourage your child to identify sounds and read familiar words.
- Ask your child to write the weekly shopping list.
- Talk to your child about interesting facts when out and about at the beach or at the park.
- Talk to your child about overcoming problems and how communication can help them to reach a goal.
- Talk about shapes in the environment and numbers that they see around them.
- Ask your child about which flags are the 'safe' flags on the beach.

<b>Special events this term will include:</b>	<b>Summer Term 2018</b>
Spring Garden Fair Sports Day Summer Fair	16 <sup>th</sup> April – 20 <sup>th</sup> July (Half term 28 <sup>th</sup> May – 1 <sup>st</sup> June)
	The Autumn Term will begin on 5 <sup>th</sup> September 2018 (Training day: 4 <sup>th</sup> September)

INDIAN QUEENS PRIMARY SCHOOL

**LEARNING CHALLENGE INFORMATION  
FOUNDATION STAGE  
SUMMER TERM 2018**

**LIFE IN THE WILD**

**During the first half of the summer term children will be learning to identify different minibeasts and their features, including learning about life cycles. The children will be exploring life in the jungle and other interesting habitats.**

- What is a minibeast?
- Where do minibeasts live?
- Can you write a riddle for a minibeast?
- How do we know extinct animals existed?
- What is it like in the jungle?
- What animals live in the jungle?
- What is a rainforest?

**SUN, SEA AND SAFETY**

**During the second half of term, children will learn about the Cornish coast and what makes it unique. We will be exploring life under the sea and different jobs that people do around the seaside. The children will be learning how to stay safe on the beach and in the sun ready for their summer holiday!**

- Can you locate Cornwall on the map?
- Why do people use maps?
- Where else in the world have you visited?
- How are places you have visited different to places in Cornwall?
- What colour are the flags on the beach?
- How do we stay safe in the sun?
- How does a lifeguarded beach help you?
