

Indian Queens School: EXTRA-CURRICULAR CLUBS Autumn Term 2017

Clubs will commence in the week beginning Monday 2 October up to and including week ending Friday 1 December excluding the half term break. All clubs will run from 3.15 - 4.15 pm.

Once a child has accepted a place, it is compulsory to attend each week. This is for 3 main reasons. Firstly it is because once a commitment has been made, and a place accepted, the club leader will plan for each child to attend, and secondly because the place has been given to a specific child and others may not have been so lucky, so to waste a place is unfair. Finally, for safeguarding reasons, it is extremely important for both the parents / carers and the school to know where the children are to ensure that they are safe.

A charge of £4.00 per child will be made *regardless of how many clubs a child attends*, or the number of club sessions held in a term. This helps towards providing resources for the various clubs and is ring-fenced to ensure it is used to support clubs. Children eligible for and signed up for free school meals are exempt from this charge.

All teachers give of their time voluntarily and are not paid for their time.

Club	Day	Year Groups	Teacher	Location	Max. number	Notes
Colour splash	Monday	1 and 2	Miss Dunster	Blackfoot	16	Do you like to get creative? Are you a budding artist? Do you enjoy arts and crafts? Then this is the club for you. Come and explore a range of different materials and discover if you can create your own masterpiece!
