INDIAN QUEENS PRIMARY SCHOOL

## Extra-Curricular Clubs

This form is for you to request a place for your child at a club. It does not guarantee a place as there are only a limited number of places available for each club. We will let you know as soon as possible if a place has been reserved for your child. For any further information please contact the school.

Remember - once your child is given a place at the club we will be expecting him or her to attend each week – it is not optional, as we have accepted responsibility for your child until the time that the club ends! Thank you.
