RIBI Young Photographer Competition

On Thursday 23 November 2017, two members of a local rotary club led a special assembly in school regarding this year's photographic competition. The challenge is this year to take and submit 3 photographs related to the theme of `A Different Perspective`, and the children were asked to think about how this theme could be shown creatively in a photograph. The teachers will discuss this further with the children in school to help stimulate lots of original ideas and the picture which the judges deem to be the most creative from our school will receive a prize and trophy to keep. This winning picture will then be entered into the district competition with an opportunity to progress onto the national final!

If your child wishes to enter, they should email 3 best photographs to photos@indian-queens.cornwall.sch.uk.

In the email, your child will need to write 3 sentences (1 for each image) explaining what is in each picture, or the inspiration behind it, as well as their full name. Please note, this email address is specifically created for the photography competition entries only, and other emails will not be replied to. When you send the email, with the photos, ***please confirm that you are happy for the photos to also be displayed on the school website.*** You will receive an acknowledgement that your photos have been received. Thank you

Attached to this letter is the competition entry form which must be completed, should your child wish to take part, and handed in to the school office *once the pictures have been emailed to the above email address*. The deadline for this competition is **Wednesday 20 December**, the very last day of term. Thank you. Please do not hesitate to contact the school if you have any queries regarding this competition. And good luck to all our young photographers!
