

INDIAN QUEENS COMMUNITY PRIMARY SCHOOL

May 2018

To all Parents / Carers of Reception Children

Monday, 11 June, 1.30 pm – Family Sports Afternoon – School Field

(back up date if wet weather is Monday 18 June)

The Family Sports Afternoon arranged for the children in the Reception Year is a wonderful opportunity for these children to have their own “Sports Day” accompanied by their parents / carers / relatives (**maximum of 2 per child**).

The afternoon is spent on the school field completing a whole series of different “sporting challenges” for both the children and adults. It is great fun and allows the children to compete for points with the help of their loved ones. Staff will be available to encourage and support children and adults alike at each of the “activity stations” – so you will be responsible for helping your child to win lots of points and, hopefully, a medal. But there are important rules and the medals have to be won fairly and squarely!

- Please arrive at the school field by 1.30 pm for a short meeting on important safety information.
- You will then greet your child and collect your score sheet. Staff will be sited around the activities to guide you and your child and are there to help you if you need it.
- As you are accepting responsibility for supporting your child at all the activities, children left unsupervised or unsupported will need to be returned to the classroom.
- Children will bring their bags, coats and other belongings onto the field to meet you there. These will be stored in a safe place, ready to be collected as you leave.
- Once you have completed your challenges, please hand in your scoring sheet to your child’s key worker who will be at a medal podium, where, your child will be awarded a medal. Photos of this memorable event may be taken for your own personal use.
- When your child has received a medal you and your child are free to go. As children will be leaving at different times, it is **very important that you ‘sign out’ your child** to say they are leaving with you (for fire and safety reasons). A nominated member of staff will be responsible for the ‘signing out’, and we will let you know who this is, when you arrive.
- Please remember to collect your child’s belongings!
- If you have other children to collect from school please wait in your usual place to collect them after the bell has gone.

If you are unable to attend this event, your child will meet you at the end of the school day as per normal. These children will be allocated a member of staff to support them during the event. Please do not hesitate to contact the school, who will do their best to help you, if you have any queries. We look forward to an exciting and energetic afternoon.
