

MINPINS EARLY YEARS 2 - 4 year olds

Teaching in the Nursery and Reception classes is exemplary because staff work closely as a team to develop the children's self-confidence through well-established routines....

Leadership of the Early Years Foundation Stage and of the provision for disabled pupils and those with special educational needs and to safeguard pupils, is outstanding. Leaders are extremely well organised and keep meticulous records of how pupils are doing.....

They (children) make excellent progress in the Nursery and Reception class, especially in learning how to persevere at their work. This is because all staff combine high-quality teaching and support with lively practical activity to capture the children's interest and enthusiasm.
